Mr. Charles Loftus
Director- Office of Sports Information
Ray Tompkins House
New Haven Connecticut

Dear Sir:

In its policy to give our listeners the greatest possible sports coverage, WVBR is planning on broadcasting all of the Cornell basketball games. I am therefore writing you now in order to request permission to broadcast the Cornell-Yale game on Jan. 15, 1952. We would appreciate confirmation as soon as possible so that we may begin working on plans for the broadcast.

Also it would be very helpful to us if you would include WVBR on your mailing list for basketball publicity. Any information that you could send us that would help us put on a balanced broadcast would be very much appreciated.

Very truly yours,

Joel Breslau
